

Thank you to all the bidders and buyers in our mini online sale that concluded October 25, 2022! We appreciate everyone who has supported our program!

Lot 1, the Pick of the Fall 2021 Heifers, sold for \$11,500 to Staci Mitchell of LaPorte, IN.

Lot 2, the Pick of the Erica ET Heifers, sold for \$10,000 to 3J Angus of Shelby, NC.

Lot 5, an Erica of Ellston M38 X Ellingson Homestead heifer calf pregnancy, sold for \$5000 to Walbridge Farms of Millbrook, NY.

Lot 4, the Pick of the R217 Heifer Calves, sold for \$4250 to Martens Angus Farms of Bellevue, IA.

Lot 3, a set of 4 embryos of Blackcap Empress Ellston S86 X Galaxy Detail sold for \$2400 to Point Pleasant Angus of Bland, VA.

Thanks again to everyone who participated! Your next opportunity to select Hoover Angus genetics will be in our February 7, 2023 production sale where we will offer fall bulls, yearling bulls, spring bred heifers, fall bred heifers, and a handful of open heifer calves in our new location – the Hoover Angus Sale Facility!

Hoover Angus is in their 94th year in the purebred Angus business, and produces elite genetics accessible and affordable to everyone! We strive to create genetics with an optimum balance of phenotype, maternal, performance, and EPD strength through the art and science of a disciplined breeding program.
